PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

Tuesday afternoon I was spending some time at the new county barn site on the Pahokee-Belle Glade road and watching first hand construction work being carried on by the contractors. Florida's ever popular Commissioner of Agriculture Nathan Mayo and No. 2 Prison Farm Manager Chif Green stopped by to pass the time of day. I always enjoy chatting with the genial Nathan Mayo and Tuesday's chat was no less interesting than the many we have had through the years. An ardent booster of the Lake Okechobee Region, Mr. Mayo is well versed on goings-on in these parts. I shouldn't have been surprised at how much first hand information he had on the tip of his tongue regarding the farming, cane growing, cattle raising activities of this area. Mr. Mayo is a veritable encyclopedia of information about any move in this great land of sunshine and flowers. It always gives me a lift to hear him talk of the many and varied opportunities available in Florida from Pensacola to Key West. His bulk of state-wide information is amazing, his wit is charming and as a conversationalist he just can't be beat. A scholar, a gentleman and an efficient and outstanding public servant—is the only way I can describe Florida's commissioner of agriculture.

My suggestion last week that the city council have the Pahokee streets washed met with the approval of several merchants who mentioned it to me. Maybe, now that the Garden Club has started a "Clean Up For Christmas" move they can get something done about washing the marl off the streets at least in the business section of town.

I was interested in an item referring to the removal of parking meters from the streets of Belle Glade. Merchants in that thriving city pointed out that the meters had a bad effect on those who wished to park and spend their hard earned cash. I am guessing that re-installation of meters in Belle Glade is a far piece in the future—if they are ever re-installed.

I read an item also where an official of a neighboring city of Belle Glade had made inquiry in regard to purchase of the second-hand meters being taken out in Belle Glade. Upon investigation I have found that the inquiry came from the City of Pahokee. So, gentle reader, maybe you'd better voice your disapproval if you don't want to reach for a nickel every time you park your car on the streets of Pahokee.

Parking meters weren't meant for country towns!

Mr. and Mrs. Fred W. Elarbee of Decatur, Ga., are guests this week of his brother and sister-in-law, Dr. and Mrs. George Elarbee, in Pahokee.

Local Lions To Buy Raincoats For Patrol

Canal Point Lions at the regular dinner meeting Monday night voted to purchase raincoats for members of the Safety Patrol at the Canal Point School. The group also announced plans for a turkey shoot to be held on Tuesday, Wednesday and Thursday of next week.

A. R. Harrington, program chairman, introduced Col Herbert Gee, district engineer of the Florida Central-South Flood Control District, who gave a talk on the progress being made in flood control work. Twenty guests were invited to hear Col. Gee's talk. President Boyd Vorhees presided.

Rardin Would Make Voting Machines Available To Cities

Possibility of closer cooperation between Palm Beach County and its municipalities in the use of county voting machines for city elections was set this week following the County Commission's regular meeting.

Vice Chairman Paul Rardin, Canal Point, opened the way for calling a joint conference of municipal and county authorities when he asked the county board for voting machines for Pahokee city elections.

Rardin said it appeared that some changes in the dates of municipal elections would have to be made in order that county machines would be available. In the past he said, city elections have been set too close the date of county primaries and because voting machine must be kept locked for a certain period following elections, the machines were not always available for municipal use. Other commissioners on the county board agreed that a conference should be called at which time the dates the machines would be needed by the county could be presented and the municipalities could set their election dates to conform with county elections.

Rardin also suggested that municipal dates be set following the county primaries and that this process would eliminate having to bring the machines to county headquarters for checking prior to county elections. If county elections were held first, he said, the machines could be left in the municipalities and used and then returned to the county. This procedure would eliminate a costly transportation problem, Rardin said.

Lots Of Holidays On Tap For Schoolsters

Local school children will have Thanksgiving holidays on Nov. 23 and 24 and Christmas holidays from Dec. 15 to Jan. 2, according to an announcement by Clyde A. Canipe, principal of Pahokee Schools.

Mr. and Mrs. I. S. Guthrie had as guests over the weekend their son and daughter-in-law, Mr. and Mrs. Norwood Guthrie of Miami.

New Blood Bank To Serve Pahokee And Canal Point Area

A much-needed blood bank has been organized for the Pahokee and Canal Point community, according to an announcement by Ed Jensen and I. J. Frasure, Jr., of Pahokee, who have been working on the project for some time.

The blood bank will be operated in cooperation with the Blood Bank of Dade County, the largest and best-equipped in the United States.

The blood will be collected as needed, by the mobile unit from the Dade County Bank, which will set up shop in the downtown area of Pahokee and Canal Point on mutually agreeable dates. The blood will be processed and stored in Miami, with an emergency stock being stored at Everglades Memorial Hospital.

The Blood Bank will be operated by a Board of Directors composed of one member each from the following: Everglades Memorial Hospital, American Legion Post No. 90, Pahokee Lions, Pahokee Rotary, Masonic Lodge, Elks Lodge, Pahokee Woman's Club, B & P. W. Club, Beta Sigma Phi Sorority, The Garden Club, Canal Point Legion and Canal Point Lions. It will welcome additional members from any other Glades organizations willing to support the project.

The Bank has the approval and support of the staff doctors and hospital board of Everglades Memorial Hospital. The first visit to the mobile unit to Pahokee and Canal Point will be on Thursday, Dec. 7th. Fifty blood donors will be needed from the two communities at that time.

Housing Project Given Impetus By Okeh For The Plans

The 12-unit colored housing project for Pahokee was given additional impetus this week when word was received from Washington that the Public Housing Administration had okehed \$28,800.00 for planning construction of the units.

The appropriation must now be okehed by the president before the money will be available.

Public spirited officials of Pahokee have been working on the project for several months and this week's action in Washington was the first concrete evidence that something is about to be accomplished.

BUY NEW HOME

Mr. and Mrs. Gene Butler have moved into their recently acquired new home on Bacom Point Road. The home was formerly owned by Mr. and Mrs. W. A. Cross.

Junior Red Cross Has Annual Drive

The annual membership drive for the Junior Red Cross was conducted at the Pahokee School this week. Any pupil contributing to the Junior Red Cross is eligible for membership by pledging active participation in the JRC service activities and all money collected in the drive will be used to finance service activities.

Trickle Of Beans Starts Season And Prices Are Good

Fall green bean prices hit a new high in this section Monday when John A. Dulany, sales manager for Lake Okechobee Farmers Cooperative, sold 150 hampers of Black Valentines for \$6.25 a hamper. Graham Mole, sales manager for Unity Farms, was runnerup in the same marathon, selling two cars of Valentines for \$4.50 to \$6.50 a hamper.

On Tuesday of this week Mr. Dulany received the high price of \$6.70 for 126 hampers of beans belonging to J. F. Waddell.

L. J. Fraser of W. H. Vann, Inc., sold a car of tendergreens at \$5.35 a hamper.

The prices were the highest growers have received for fall crops in this section in seven years, Fraser said. The quality and yield of the beans are fair.

All the packing plants went into action this week to handle the harvest, which has made the farm picture more encouraging.

Some of the fall corn also was moving to market this week. The Everglades Growers Cooperative pre-cooled and sold 800 crates of corn on Monday. The quality was fair. It brought \$2.50 a crate.

On Monday Vandegrift-Williams sold 667 hampers of tendergreen beans for \$4.30 a hamper. The corn now ready for harvest is that which survived the storm and high water. Corn planted after the storm will be harvested around Christmas, officials said.

The celery harvest was delayed by the storm, but it is expected (continued on page 8)

Sponsors Chosen Belle Glade Game

The annual foot ball game next Wednesday night between Belle Glade and Pahokee is the main topic of conversation in Pahokee high school corridors this week. On Tuesday students elected the sponsors for the game and Miss Joan Ryals and Miss Myra Lee Cruthird were the popular young ladies chosen to represent the Blue Devils on this outstanding annual occasion. Both young ladies are members of the Senior class this year.

"Clean Up For Christmas," is the slogan adopted by the Pahokee-Canal Point Garden Club, according to Mrs. Harry McIntosh, President.

Home owners and business people of the city are urged to get behind this movement that this aim may be accomplished by Christmas.

"We are asking all property owners to clean their lots of weeds and high grass, especially in the business section, where there are so many unsightly vacant places," Mrs. McIntosh said. "Those who desire to have the debris hauled away should contact Mrs. Rut's Meredith, Park Supervisor."

Mrs. McIntosh added: "We expect many tourists to drive through Pahokee this winter, now that the road has been designated as U. S. Federal Highway 441, and we certainly want strangers to receive a favorable impression of our city."

The Garden Club has mapped out an extensive program of beautification and deserves the wholehearted cooperation of the community.

Mrs. Malcolm Millar, Program Chairman, stated: "We are grateful for the many plant and cash donations, but we are in urgent need of 400 Xora plants to be used as a border around the project on Belle Glade Road. Those wishing to donate plants may contact Mrs. Leo Maxwell who will arrange to have them picked up."

Belle Glade Firm Gets Job Of Diking Veterans New Land

TALLAHASSEE—The Internal Improvement Board awarded a contract Tuesday for reclamation of 4,800 acres of Everglades land to Simmons-Weeks, Inc., of Belle Glade.

The work, figured on the basis of 9½ cents per cubic yard of dirt and \$1.50 per cubic yard of rock, will cost about \$60,000. The land, on the north side of the West Palm Beach Canal about 15 miles south of Lake Okechobee, is leased to the Pelican Bay Veterans' Cooperative for 10 years.

The cooperative members, 70 former GI's, will raise truck crops on the property. The lease went into effect July 1. There is no rent for the first year because the cooperative is not on the ground yet.

The land will be rented for \$5 an acre for 1951-52 and will increase yearly until 1955-56 when it will cost \$8 an acre until 1960.

The rental will cover the cost of levees and drainage ditches to be built under the Simmons-Weeks contract, three pumps for which a contract will be awarded later and a return to the State on use of the property.

Engineers in charge will be Pre-wett and Hall of Clewiston under direction of Fred C. Elliott, secretary to the trustees.

Blue Devils Point To Game Next Wednesday Night With Belle Glade 11

The Pahokee Blue Devils were scheduled to play the Gesu Crusaders on Lair Field last night and Coach Jim Maynor was expecting his men to have a tough battle on their hands as the visitors lead in the Miami Catholic Conference and are a strong contender for this State championship among Catholic schools.

This game was scheduled to fill Pahokee's open date for Nov. 17 but was advanced one day to give the Blue Devils a little more time to prepare for their annual battle with the Belle Glade Rams on Lair Field the night of Nov. 22 which ends the season for both teams.

At stake will be the Lions' Bill Young Memorial Trophy now in the possession of the Rams. This is going to be a sort of "David and Goliath" contest since Belle Glade has one of the heaviest high school teams in the state while Pahokee has one of the lightest. Both teams

have good season records with the Rams holding second place position in the Suncoast conference and the Blue Devils, third. The Rams statistically are favored to win not only because of their 40-pound average weight advantage but also because of their impressive performances in tying Miami Beach and winning by two touchdowns their game with the South Broward Bulldogs who earlier in the season defeated the Blue Devils by the same margin. This week the Rams were rated 19th place in the Miami Herald's poll of Florida high school teams.

On the other hand Coach Jim Maynor has developed from his featherweight squad a very versatile team that has unusual defensive strength and effective offensive power either in the air or on the ground. No doubt the Pahokee line bulwarked by Guard Charles Holmes and Tackle Charles Dick-

son will be on a sharp lookout for breakaways on the part of Leathers and Revels, the Rams' ace backs and the Belle Glade defense will do plenty of charging in on Quarterback Carney Wilder, the Blue Devils' most dependable passing arm.

This is the game Glades fans have been waiting for and you'll have to arrive at Lair Field early if you expect to get a seat unless you already have one reserved.

The Pahokee student council is planning a colorful parade in the downtown area on the afternoon before the game. The Pahokee High School Band will lead the parade which will get started immediately after the close of school. Following the band will be Dr. Majorita Rita Faye Hurt and her class of baton twirlers and then the main attraction, a float with the game sponsors, Miss Joan Ryals and Miss Myra Lee Cruikshanks and two junior high players to represent the Blue Devils. The float will be decorated in blue, white and gold. Following the float will be the junior high cheerleaders and after them the remainder of the student body led by the Seniors. Bringing up the rear of the parade will be a bicycle gaily decorated with streamers of blue and white.

Mrs. Lester Duncan returned to her home in Canal Point Saturday after spending three weeks with her parents, Mr. and Mrs. Thornton in Jackson, Ga.

FOR FASTER, EASIER PLOWING . . .

**THE FARMALL SUPER-A
WITH TOUCH-CONTROL!**

Just a finger-tip touch—and right now, a Farmall Super-A Tractor with Touch-Control does what you want done. You command 2000 pounds of hydraulic power to raise the implement, force it into the ground or hold it at any selected working depth.

A full line of matched, quick-change implements—direct-connected and forward-mounted—fits the Farmall Super-A to do a list of jobs as long as your arm—to do every power job for you whatever crops you raise. No use-

less wheels, levers, or excess weight on these low-cost implements—and they are easily interchanged, in minutes.

The Farmall Super-A is built to power the diversified farm of up to 80 acres, or be the second tractor on the larger acreage. The Farmall Super-A pulls a one-bottom plow, cultivates one row of corn or cotton and up to four vegetable rows. You can do effective conservation farming with the Super-A and matched equipment. Ask us all about it.

Miss Shaughnessy Is Bride Of C. W. Clewis

Miss Jeanne Shaughnessy daughter of Mr. and Mrs. Frank Martin Shaughnessy of Pahokee, became the bride of Charles William Clewis, son of the late Louis and the late Martha Lester Clewis, Marshallville, Georgia, in an impressive ceremony Saturday evening at St. Mary's Catholic church. The Rev. Father William J. O'Farrell read the double ring rites following a program of music presented by Mrs. Vernon Dexter, organist.

The bride given in marriage by her father wore a gown of shimmering white satin designed with a fitted bodice, long tapering sleeves and a full skirt terminating in a chapel length train. Seed pearls in a floral motif edged the scalloped off-the-shoulder neckline which filled with illusion. Her veil of imported Brussels lace fell to the tip of her train. She carried a bouquet of white orchids and an heirloom handkerchief.

Mrs. Harry Teets, Arlington, Virginia, as matron of honor and bridesmaids Miss Dada Andrews and Miss Patty O'Connor of Tampa, wore identical gowns of French blue net with matching satin jackets. Their fresh flower headresses matched the crescent bouquets of deep orchid, fuchsia and lavender pompon chrysanthemums.

Lester Clewis, West Palm Beach, was his brother's best man. Ushers were Edgar Shaughnessy, brother of the bride, Richard M. Clewis, Jr., William B. Dickerson, Jr., and Charles C. Woodward, Jr., of Tampa.

Immediately following the ceremony a reception was held at the home of the bride's parents. White chrysanthemums, carnations, glad-

ioli and hibiscus were used in the floral decorations. The bride's table was overlaid with an imported embroidered and cut work cloth which was centered with a four tiered wedding cake encircled with white chrysanthemums and carnations and lighted by tapers in silver candelabra.

Assisting in the hospitalities were Mrs. G. Lawton Sims, Mrs. Joe Tom Boynton, Mrs. Otto R. Blech, Mrs. Howard Payne, Mrs. William M. Dubose, Mrs. David Blech, Mrs. Harry McIntosh, Mrs. David Cunningham and Mrs. E. L. Pope.

Out of town guests included Mrs. R. M. Clewis, Mrs. C. A. Andrews, Mr. and Mrs. R. M. Clewis, Jr., Mrs. Thomas J. O'Connor, Mrs. Andrew Dunkle, Miss Jeannette Litichigi, Miss Nana Kurtz, Mrs. and Mrs. C. C. Woodward, Jr., Mr. and Mrs. George Cuddeback, Mrs. J. Brown Farrior, all of Tampa, Mr. and Mrs. Lester Clewis, and family, Mrs. D. D. Newberry, West Palm Beach, Mr. and Mrs. Charles E. Abernathy and Mrs. May McEvoy, Orlando, Mr. and Mrs. Harry Volckening, Brooklyn, New York.

After a wedding trip to the East Coast and Nassau, Mr. and Mrs. Clewis will reside in Tampa.

Tea Is Given For Recent Pahokee Bride

Mrs. E. L. Pope, Mrs. W. M. Dubose and Mrs. D. W. Cunningham entertained at Mrs. Pope's home on Bacon Point Road Thursday afternoon of last week with a progressive tea in compliment to Miss Jeanne Shaughnessy, bride-elect of Charles Williams Clewis.

The tea table, covered with an imported embroidered cutwork and Venetian lace cloth, was decorated

with attractive arrangements of white chrysanthemums and tuberoses.

In the receiving line with Miss Shaughnessy were her mother, Mrs. Frank Martin Shaughnessy, Mrs. Harry Teets and Mrs. Pope. Mrs. Otto R. Blech and Mrs. G. Lawton Sims poured tea while Mrs. J. V. Chastain and Mrs. P. P. de Moya poured coffee.

At the conclusion of the tea the honoree was presented with a lovely gift of silverware by the hostesses.

Mr. and Mrs. Clyde Chaney of Pahokee announce the birth of a daughter, Donna Gail, at the Everglades Memorial Hospital, Nov. 15.

Mr. and Mrs. Raymond Mackey of Belle Glade announce the birth of a daughter, Rae Ellen, at the Everglades Memorial Hospital, Nov. 12.

Mr. and Mrs. Rudolph Hooks of Belle Glade announce the birth of a daughter, Shirley Ann, at the Everglades Memorial Hospital, Nov. 12.

Mr. and Mrs. Robert Shackford of Pahokee announce the birth of a daughter, Marie Aleda, at the Everglades Memorial Hospital, Nov. 10.

Mr. and Mrs. Glenn Sowder, (Ruth Herron), former Pahokee

resident now living in Miami, announce the birth of a daughter at a Miami hospital, Nov. 3.

Mr. and Mrs. Carmen Salvatore had as guests over the weekend Mr. and Mrs. Gordon Walker and children and Mr. and Mrs. Bob Duncan and son of LaBelle.

Recent advances in processing packaging, quick-freezing and distribution of food have brought hundreds of new products to American consumers that were not available a few years ago, according to A&P Food Stores. The average super market of today carries more than 3,000 items on its shelves.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin
Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, and certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

Elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

Vegetable Men From The Glades Hold League Meet At Biltmore, Palm Beach

James F. Solley, Jr., president of the National League of Fresh Fruit & Vegetable Distributors, installed Harold Rabin, of Belle Glade, as President of the Everglades Branch at a meeting held at the Palm Beach Biltmore Hotel Saturday night.

The occasion was the annual meeting and dinner dance which was attended and enjoyed by over one hundred people interested in the vegetable deal in the Glades and east coast area. Other officers installed at the meeting were Robert Mackey as Vice-President, owner of the Mackey Produce Co., of Canal Point, Frank Dooley, of Pioneer Growers in Belle Glade, as Treasurer, Jess Elliott, of the Everglades Growers Co-operative, as Secretary.

Mr. Rabin is well known to the trade and throughout south Florida. He first came to the Glades in 1934. In 1937 he joined the firm of Kodish & Zwick as their buyer. Six years later he purchased several hundred acres of land and a packing house and has since grown and packaged his own produce.

He was chosen Mayor of the City of Belle Glade in 1948. Mr. Rabin also owns the Buick agency in Belle Glade. He is married and has three children, a member of several organizations and an untiring civic booster. The Everglades Branch members anticipate an outstanding year under his leadership.

Mr. Solley was the principal speaker at the meeting. He expressed his concern over the Socialist and Communists that seemed to be overrunning Washington. He seemed to see a faint ray of hope in the outcome of the recent national elections—he stated, "...perhaps more demonstrations at the polls by the voting public, such as was displayed this week, may someday rectify the condi-

tions that exist in Washington today."

The speaker charged the members with their legal and moral responsibilities and told them of the educational program the League is endeavoring to promote in the high schools and colleges. In closing he expressed his hope that the Everglades Branch would be successful in getting the 1952 convention to Palm Beach.

John Dulany, the out-going president, presided over the meeting and acted as master of ceremonies throughout the evening.

Among those attending the affair: LaMonte Graw, Mr. and Mrs. Luke Fraser, Mr. and Mrs. H. T. Williams, Mr. and Mrs. Jess Elliott, Mr. and Mrs. J. F. Waddell, Mr. and Mrs. Douglas Matthews, Mr. and Mrs. Homer Clause, Mr. and Mrs. James Wilson, Mr. and Mrs. Harold Rabin, Mr. and Mrs. Melvin Spooner, Mr. and Mrs. Sam Senter, Mr. and Mrs. Thadd Whidden, Mr. and Mrs. Roy Vandegrift, Mr. and Mrs. Robert Mackey, Mr. and Mrs. R. W. Repper, Mr. and Mrs. Sidney K. Smith, Mr. and Mrs. Thurmond Knight, Mr. and Mrs. Robert Cameron, Mr. and Mrs. Joe Tom Boynton, Mr. and Mrs. W. A. Cross, Jr., Mr. and Mrs. Ellis Wilkinson, Mr. and Mrs. Frank Dooley, Mr. and Mrs. Billy Helms, Lorene Vann, Dorothy Simmons, Rudy Faulk, Billy Rogers, John L. Evans, Mr. and Mrs. John Dulany, Mr. and Mrs. E. A. McCabe, Mr. and Mrs. Lester Duncan, Mr. and Mrs. Anthony Sterne, Mr. and Mrs. Jonas Lehrer, Gerald Greenberg, Stanley Dorman, Mr. and Mrs. Edwin Kodish, Mr. and Mrs. Jack Rabin, Mr. and Mrs. Abe Fine, Mr. and Mrs. Johnnie Canadino, Mr. and Mrs. Julie Rosenthal, David Roenack, Mrs. Harry Somers, John Wiedrock, Mr. and Mrs. Harry Smith and Wilson Himes.

Stuart Tigers Are Blanked By Devils

The Pahokee Blue Devils shut-out the Stuart Tigers, 26 to 0, in a Suncoast Conference game played on Lair Field Friday night but the scrappy Tigers kept boring in all through the contest and made the Pahokee eleven really work for every point they got.

Both teams chalked up 10 first downs and were well matched on the ground but when they took to the air Coach Jim Maynor's lads completely outclassed the Stuart eleven both on pass offense and defense. The visitors made several sustained drives from deep in their own territory but when they reached the 50-yard stripe the Blue Devil line always tightened and they never were able to go beyond the Pahokee 36.

Scoring one touchdown in each quarter the Blue Devils reached pay dirt on the second play of the game when Quarterback Carney Wilder tossed from the Pahokee 41 to Halfback Bobby Schroder who connected with the ball on the Stuart 35 and ran the rest of the distance along the right sideline. In the second quarter the Blue Devils started from their own 46

where Gene Williams recovered a Tiger fumble and drove to the Stuart 7 where Halfback Melvin Tillis wheeled around left end for the TD and Tackle Charles Dickson kicked the extra point.

The most spectacular play of the game came near the end of the third period when Wilder passed from his own 45 to Ronnie May who caught the ball on the Stuart 25 and, finding himself trapped by three converging Tigers, lateralized to Bobby Peacock who ran the rest of the distance. Dickson again kicked the extra point. In the last stanza the Blue Devils scored again when they recovered a Tiger fumble on the Stuart 25 and drove to the 12 where Tillis siz-zagged through left tackle for the TD. Pahokee had another touchdown in the third quarter nullified when Wilder looped a long one from the midfield stripe into the end zone. Vaiting to catch the ball was Ronnie May and a couple of Tigers who were very much in the way. In order to catch the ball May gently nudged one of the Tigers to one side but the nudge wasn't gentle enough for the referee and the Blue Devils were given a 15-yard penalty instead of a TD.

The Blue Devils got most of the breaks, recovering four Stuart fumbles and intercepting three passes, two of which were snagged by Billy Turbeville.

A fine performance was given by the Stuart and Pahokee Bands on the field at halftime.

Four Member Clubs Of Garden Group To Meet Next Tuesday

The four member clubs of the Pahokee-Canal Point Garden Club will meet at homes of members on Tuesday, Nov. 21. The program topic for the month will be "Grafting and Budding."

The Gardenia Club will meet at the home of Mrs. Paul Rardin at 9:45 a. m. Mrs. Anderson Chastain, Mrs. G. Lawton Sims and Mrs. Clinton G. Coburn will demonstrate the pruning, budding and layering of hibiscus.

The Hibiscus Club will meet at the home of Mrs. Frank Friend at 9:45 a. m., with Mrs. Homer J. Clause assisting as co-hostess.

CHANCERY NO. 27,794

THE STATE OF FLORIDA
TO WYATT AVERY ROBERSON, whose residence and address as particularly as is known is 118 N. Wayne St., Millersville, Georgia.

YOU ARE HEREBY NOTIFIED that a Bill for divorce has been filed against you, styled Ruby Mae Roberson vs. Wyatt Avery Roberson, in the Circuit Court of Palm Beach County, Florida, in Chancery, and that you are therefore commanded to appear at the office of the Clerk of said Court in the Court House at West Palm Beach, Florida, to the said Bill of Complaint on or before the 18th day of December, A. D. 1950, otherwise a decree pro confesso will be entered against you.

WITNESS my hand and official seal at West Palm Beach, Florida, this 9th day of November, A. D. 1950.
J. ALEX ARNETTE,
Clerk Circuit Court.

There will be a luncheon on the lawn at noon. Hughes Ridenour, local nursery man, will be guest speaker. Mrs. E. L. Pope and Mrs. C. T. Jackson will be in charge of the program.

The Poinsettia Club will meet at the home of Mrs. Clyde Alley at 3:30 p. m. Mrs. J. Grady Barker will speak on "Grafting" and Mrs. Max Beverly will give a talk on "Poinsettias."

The Ixora Club will meet at the home of Mrs. James Vandegrift at 3 p. m., with Mrs. Corley Watson, assisting as co-hostess. A report will be given on the progress being made in the development of the new Ixora Park by club members.

Wayne Hundley Has A Birthday Party

Mr. and Mrs. Lloyd Hundley entertained at their home on Bacom Point Road Sunday afternoon from three until seven with a party honoring their son, Wayne Scott, who was celebrating his fourth birthday anniversary.

A combination of red, white and blue was used to carry out an Armistice Day motif in decorations. Each guest was presented with a flute whistle as a party favor and horseback riding was featured on the program of entertainment. Refreshments were served to approximately 40 guests.

NEWLYWEDS OF CANAL POINT: Cecelia Enfinger, daughter of Mr. and Mrs. Mac Enfinger and Franklin Branch, son of Mr. and Mrs. Julian Branch of Canal Point. This handsome couple won first prize in pre-school group at the recent Halloween Carnival in Canal Point sponsored by the PTA.

Baptist Women In Mission Meetings

Mrs. R. S. Douthitt presented a program entitled, "Is There a Doctor in the House of Missions?", at a meeting of the Grace Jernigan Circle, First Baptist WMO, at the home of Mrs. C. R. Wroten Tuesday night.

Talks on the subject were given by Mrs. W. M. Dubose, "Missionary Doctors in Africa," Mrs. D. W. Young, "The House of Missions in China," Mrs. C. R. Wroten, "How Medical Missions have Advanced," Mrs. Olaf Boe, "Medical Missions,

More than a Healing Effort," and Mrs. Wiley Tillis. Mrs. Carolyn Thompson was in charge of the devotionals. Mrs. Edwinda Humphries sang two vocal solos, accompanied at the piano by Mrs. Douthitt.

At the business session, with Mrs. Thompson, chairman, presiding, Mrs. Young, community missions chairman, outlined plans for the year's work and announced her committee is preparing a Thanksgiving Day basket for a needy family and is advancing funds to provide food for two underprivileged children for a month. Mrs. Thompson read a letter from

Rev. and Mrs. Elmo Scoggins, formerly of Canal Point, who are now engaged in missionary work in Jerusalem.

Mrs. Herman Kautz and Mrs. J. L. Humphries were welcomed as new members. Mrs. H. L. Speer, WMU president, was a visitor.

Frank Rozelle, Jr., Is Given Publicity Job

Frank Rozelle, Jr., son of Mr. and Mrs. Frank Rozelle of Pahokee and a student at Georgia Tech, attended the Georgia Methodist students conference held recently at the Georgia State Teachers College, Statesboro, Ga., and was elected at the conference publicity chairman for the State. Three hundred students from Georgia attended the conference and there were 16 delegates from Georgia Tech.

So Big in
Service...

So Little in Cost

As a bargain in better living, the telephone is BIG. But do you realize how fast it's growing bigger? In the last 5 years the number of telephones in service has nearly doubled. Meaning that you can call a lot more people, and more can call you... that business concerns can reach, and be reached by, far more customers and prospects. In quality, too, the service grows faster and better. And the price is still low. The cost of telephone service has advanced far less than most other things you buy.

Children's Eucharist—To be announced.
Church School—Sunday, 10 a. m.
St. Martha's Guild—Regular meeting, 3rd Monday evening of the month, 8 p. m.

CHURCH OF CHRIST, SCIENTIST

"SOUL AND BODY" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 19.

The Golden Text is: "The Lord God is a sun and shield: the Lord will give grace and glory: no good thing will be withheld from them that walk uprightly" (Ps. 84: 11). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens" (II Cor. 5: 1).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "This scientific sense of being, forsaking matter for Spirit, by no means suggests man's absorption into Deity and the loss of his identity, but confers upon man enlarged individuality, a wider sphere of thought and action, a more expansive love, a higher and more permanent peace" (285: 10).

Auxiliary Works On Christmas Presents

With concentration centered on the Hospitalized veteran, and in making Christmas happy for him, the Canal Point Legion Auxiliary is working to get gifts ready to mail before the 20th. Those wishing to contribute, please bring your gift to Carter-Geiger Drug Store where a box will be available for such articles. Please no breakable or perishable gifts.

Mrs. Ella Hewell, Community Service Chairman, reported that a box of drinking glasses was sent to Pahokee Hospital. A beautiful Toni Doll and Wardrobe, made by members, will be given away the middle of December at a Drawing. Tickets are twenty five cents a chance. Tentative plans were made to bring more music in the program, and the possibility of organizing an Auxiliary Quartet. The next meeting will be a joint fellowship with the Legion.

Methodist Society Groups Plan Meets

The five Circles of the Pahokee First Methodist Woman's Society of Christian Service will meet at homes of members Monday, Nov. 20, as follows: Mabel Simonsen Circle, home of Mrs. Duncan Padgett, 3:30 p. m.; Margery Lair Circle, home of Mrs. Ronald Watson, 3:30 p. m.; Gertrude Shirley Circle, home of Mrs. R. W. Sanders, 8 p. m.; Mary Martha Circle, home of Mrs. Robert Walker with Mrs. George Ramey, co-hostess, 8 p. m.; Miriam Circle, home of Mrs. D. W. Cunningham with Mrs. G. M. Belk, co-hostess, 8 p. m.

Rotes Hear Flood Control Discussed

Col Herbert Gee of West Palm Beach, district engineer for the Florida Central-South Florida Flood Control District, was guest speaker at the luncheon meeting of the Pahokee Rotary Club on Thursday of last week.

Introduced by O. B. McClure, Col. Gee explained the overall flood control program and reported the progress being made on the construction of Levee L-8 which will form an important barrier to flood waters in the upper Glades area east of Lake Okechobee. Four miles of the eastern wing of L-8 are practically completed and a contract for the building of four miles of the northwestern wing will be let in the near future, while the remainder of Levee L-8 is expected to be under construction by June 30, 1951, he said.
Fifteen members of the club brought a guest to the luncheon to hear Col. Gee's talk. President Claude L. Shirley presided.

TB Worker Is Heard By Pahokee PTA

Mrs. Margaret Bodenstein of West Palm Beach, director of health education of the Palm Beach County Tuberculosis and Health Association, was guest speaker at the November meeting of the Pahokee Parent-Teacher Association held Monday night in the high school auditorium.

The speaker gave a talk on "The Symptoms and Treatment of Tuberculosis," outlined the activities of the association and spoke of the need of pajamas and blood for the blood bank at the Lantana Sanitarium. She also presented a motion picture, "Coming Home," which dealt with the rehabilitation of patients after their return to health and dismissal from the sanitarium.

The group voted to sponsor a costume room at the school and school patrons were asked to donate costumes stored away and probably of little use to the owners. These costumes will be placed in a special room and taken care of for use in school plays, assembly programs and the like. Mrs. R. L. Brooks and Mrs. E. D. Sims will be in charge of this project. Teachers were asked to list needed equipment for their school rooms and PTA will assist in the purchase of this equipment.

It was announced that the first aid room at the elementary school has been redecorated with funds received from the doll show presented by the pupils of Mrs. Sarah Thomas's room.

Edward A. Jensen announced that donations of 50 pints of blood are needed for residents of this community and that a mobile unit of Dade County Blood Bank will be here on Dec. 7 for the convenience of those who wish to make donations.

The monthly attendance awards were won by Ned Kocher's tenth grade at the high school and by Mrs. Katherine Cunningham's First grade at the elementary school.

Following the meeting refreshments were served in the school cafeteria by Mrs. Herman Kautz, hospitality chairman, and a hostess committee of 15 PTA members.

Canasta Party By Legion Is A Success

The benefit canasta party sponsored by Canal Point Legion Post 242 on Thursday night of last week proved a success, according to a report made at a meeting of Post 242 in the Legion-Hall Monday night. The group decided to have one of these parties once a month, with T. W. Griffith to be in charge of arrangements.

Proceeds from the party will go toward the expense of sponsoring a bingo party for veterans at the Coral Gables hospital.

Personal Items

Miss Lois Echols, daughter of Mr. and Mrs. Grady Echols of Canal Point, has been chosen one of the representatives of the School of Nursing, Emory University, Atlanta, Ga., to attend the Georgia State Nurses Convention in Augusta, Ga., this week. This is Miss Echols' third year at Emory.

Mr. and Mrs. L. J. Maloy and granddaughter, Brenda Carter, visited their son-in-law and daughter, Mr. and Mrs. S. K. Swain, in Clewiston.

Mrs. Frank Tillis is a patient at the Everglades Memorial Hospital this week.

Highway Patrol Gives Accident Report

During the month of October there were 40 accidents resulting in four deaths and 29 injured in the Florida Highway Patrol district comprising Palm Beach, Martin, Okeechobee, Indian River and St. Lucie Counties, according to a report released at the FHP district office in Pahokee by Sgt. B. W. Brinson.

District patrol officers in their constant drive to cut the accident rate gave 34 highway safety educational talks during the month. They also made 142 arrests for traffic violations, issued 759 warnings of faulty equipment and 96, for improper driving, rendered assistance to 1,222 motorists and gave 935 examinations to applicants for drivers licenses, of which 657 passed and 278 failed.

In Palm Beach County alone there were 25 accidents involving three deaths and 13 injured and FHP officers gave 30 safety education talks, made 76 arrests, issued 487 warnings of faulty equipment and 49 for improper driving, assisted 741 motorists and gave 655 drivers license examinations, passing 483 and turning down 172.

Pahokee Council Has A Busy Evening

The Pahokee City Council at a meeting Monday night employed Frank Thompson as building and sanitary inspector at a salary of \$40 a week plus \$10 for expenses.

Mrs. H. M. McIntosh, president of the Pahokee-Canal Point Garden Club, appeared before the council with the request that Mrs. Ruth V. Meredith be appointed as supervisor of the city beautification program which has been started by the club. The group voted to do this and Mrs. Meredith will be paid \$1 an hour for her supervision work, with the labor to be furnished by the city.

Abe Dobrow, representing the Pahokee Rotary Club, reported that Shirley Brothers have offered to furnish materials for the building of an attractive fence around the Fort Mayaca Cemetery if the city will furnish the labor and the council accepted the offer. It was announced that the communities of South Bay and Belle Glade have offered their full cooperation in any program to beautify and improve the cemetery.

The new planning board ordin-

ance was adopted on final reading and the city's zoning laws, complying with State standards, were explained to interested persons attending the meeting.

Plans for a subdivision for Negro residents submitted by Attorney Thadd Whidden for R. O. Crosby, who is opening the subdivision, were accepted by the council, it will be known as the Crosby School Park subdivision.

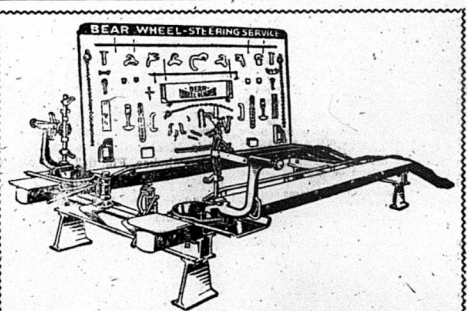

Mr. Dobrow announced that various civic clubs have petitioned the Board of Authority of the Port of Palm Beach to build a storm-proof dock at the Pahokee waterfront to replace the one destroyed in a hurricane and the board has assured the civic groups that this will be done.

It was voted to purchase a new fire siren for \$570. Plans were announced for paving the street bordering Ixora Park.

Cinematic Chat

By Malcolm Miller

Arlene Dahl took her first step toward her ultimate goal as an actress when she was the shining light of her high school dramatic club. When but fifteen she appeared over the National Broadcasting Company network on a children's adventure serial. At last she has arrived and was cast as co-star with Joel McCrea in "The Outriders," beautiful technicolor glorified Western saga. I'll bet you folks have wondered what became of that petite little blonde, who always wore her hair down over one eye and started this mode of hairdo over the world, who first came to our notice as the girl in "This Gun For Hire," with Alan Ladd, who also was made in that very picture. What is her name? Why Veronica Lake. Well folks, Veronica is now in New York. It is said she is making a hat full of money on television. I for one would like to sit through another performance of hers but I can't afford a TV set, and if I could how would I see her out here? I hear that Ingrid Bergman's former secretary, Ellen Newald, has been offered a fancy figure to write a true story of Bergman's life Dr. Peter Lindstrom. I hate to think of anyone being low enough to want to ruin that Kid Pia's life with such a story. Why not hush it all up and forget it. Surely little Pia doesn't deserve that! See you at the movies—Mal.

NEW PALM BEACH COUNTY JAIL DEDICATED. Prisoners were being moved into the county's new \$500,000 jail building this week, following dedication of the structure Sunday. Shown in the above photos are scenes from the dedication ceremony. Top panel shows County Commissioner Chairman Lake Lytal turning over the keys of the jail to Sheriff John Kirk. Speakers for the ceremony were Charles Francis Coe, upper center and Circuit Court Judge C. E. Chillingworth. Far right is the jail building, which is about two-thirds completed. Another wing will be built. Low panel shows a view of the jail kitchen, a portion of a cell block and part of the equipment in the jail laundry.

County law enforcement officials were operating from a new county jail this week following its dedication Sunday and workmen were getting ready to raze the old cell block to make way for construction of another wing to the jail building.

The new structure, built at an estimated cost of \$500,000, was dedicated Sunday and prisoners were being moved into the building Monday. Only the civil department of Sheriff John Kirk's office remained in the court house with the identification bureau and the criminal division being moved to the new structure. Also to be operated from the new jail, will be the sheriff department's radio communication system.

County Engineer J. M. Boyd said that as soon as the old jail and cell block is vacated, the old structure will be torn down and construction of the final section of the new jail will get underway. The first part of the project includes the main administration building and an east wing which houses a portion of the cells. The west wing will also house a cell

block and office space for some county agencies.

The structure was dedicated Sunday with Charles Francis Coe, WPB publisher, as dedicatory speaker. Others taking part in the program were Circuit Court Judges C. E. Chillingworth and Joseph S. White; County Judge R. P. Robbins; Criminal Court Judge E. G. Newell; State Attorney Phil O'Connell; County Solicitor T. Harold Williams and Sheriff John Kirk. County Commissioner Chairman Lake Lytal was master of ceremonies.

The new jail has been under construction since the first of the year and is recognized as one of the most modern structures of this type in South Florida. Accommodations are available for some 200 prisoners and the structure includes a medical section and dispensary; laundry, elevator, large kitchen, complete identification bureau, recreation rooms for the inmates and an outside exercise section.

The City of West Palm Beach has already made arrangements to use the new jail and other cities

in the county are eligible to take part in similar cooperative arrangements, according to Commission Vice Chairman Rardin.

Toy Pickup Proves Success, Is Report

The toy pickup for the Salvation Army conducted by the Pahokee Lions Club Saturday was a success, according to a report given by M. P. Stanley, chairman of the boys and girls work committee, at the club's Tuesday luncheon meeting. Any persons having second hand toys who were not at home during the pickup are asked to contact Mr. Stanley, phone 593, or Boyd Vorhees at Phone 2281 and they will see that they are picked up and sent to the Salvation Army.

E. A. Jensen, health and welfare chairman, reported that a working agreement has been made with the Dade County Blood Bank to furnish the Everglades Memorial Hospital with an adequate supply of fresh blood for transfusion purposes once a week. He said the blood bank will have a mobile unit here on Dec. 7 for the convenience of persons wishing to make donations. At the meeting club members responded to an appeal for three pints of blood for local patients.

Ralph Stanley, house committee chairman, reported a working crew under the direction of Duncan Padgett would sand and refinish the floors of the club building Wednesday evening.

On the program Mrs. Margaret Bodenstern, health education director of the County Tuberculosis and Health Association, gave a talk on the value of Christmas seals and the excellent results being achieved by the free chest X-rays in Palm Beach County. She was introduced by Mr. Jensen. President T. E. Baldwin presided.

Mr. and Mrs. A. R. Harrington and daughters, Janette and Nancy were guests of Mrs. Harrington's sister, Mrs. Preston and Mr. Preston in Hollywood Sunday.

CATTLE SALE

A total of 795 cattle returned \$23,079 at the Glades livestock market Monday with demand brisk and price steady on all classes. Slaughter buyers took over 50 per cent of offering.

Mr. and Mrs. Robert Apelgren, accompanied by her mother, Mrs. O. B. McClure, were visitors in Miami over the weekend.

H. L. Carter visited relatives in Georgia over the weekend.

From where I sit... by Joe Marsh

We Ask That "Fares" Play Fair

Judge Cunningham was telling about a taxi ride he took over to the County Seat last week. The cab was all littered with cigarette butts, plus candy and gum wrappers. This annoyed the Judge and he spoke to the driver about it.

To his surprise the cabman answered right back. "Don't blame me," he said "Fast as I clear this taxi out, the fares just mess it up again. I like a clean cab as well as anybody, but a man has to have some co-operation!"

Judge figures the fellow was in the right, and maybe we ought to

do a little campaigning with the public. I agree with him—that's why I'm writing this article.

From where I sit, it's important for us to remember the fellow who's going to get in the cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride—just as he has the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, or what have you).

Joe Marsh

Sawgrass Special

Sure is a lot of conversation going on around about the Belle Glade football game . . . everybody knows just what plays should be used and just anybody can tell you the best way to beat them . . . a football coach must lead an interesting life . . . everybody knows more about his job than he does . . . I would not be in his shoes for all of Pahokee . . . "Coach, why don't you try more end runs?" . . . "Coach, why don't you try more passes?" . . . "Coach, why do you use an upside-down T when a right side up T would hold more players then you could carry them over to the side lines and dump them out?" . . . "Coach, why don't you get a baseball bat and start using nobody will miss them."

Coach, when Pahokee people start knocking hell out of you and try to tell you how to do your job its a true sign that you are firmly imbedded in their hearts . . . if they did not speak to you or try to tell you what you should be doing you bet your last dollar they were after your scalp . . . You have done a wonderful job and 99 44-100 percent of the people believe in you . . . the other 56-100 percent of unfathered people are found in any town . . . the only difference is that here in Pahokee they are allowed to talk out loud . . . this group includes me, of course . . . so here goes . . . HARBENARIA FIMBRIATAS to you for the job you have done . . . win, lose or draw in the Belle Glade game . . .

A lotta these good Glades folks washed their necks and turned up at the Palm Beach Biltmore last Saturday nite . . . it was the annual play nite for the members of the Everglades Branch of the National League . . . not baseball, Doopy, this is the screwball league . . . farmers, growers and planters . . . buyers, sellers and users . . . all turned loose in one room to see who could have the most fun . . . some had too much . . . fun . . . you'd never know a hurricane hed blown most of them half way across the lake a few days ago . . . John Dulany was the MC for the evening . . . Harold Rabin was installed as the new President . . . Robert Mackey was elected Vice-President . . . until the event of Alvan Barclay-Veeps were the most useless things on the market . . . since Mr. Barclay made their official capacity one designated as Official Lady Kisses—Robert looks upon his new job as one of great responsibility and one with an interesting future . . .

Robbie Fine made a very important announcement . . . seems he had a conference with the Rabbi . . . if a certain guy by the name of Wilson sires a male a heavy contribution is forthcoming for a new temple to be built in West Palm . . .

Speaking of siring . . . Roy &

Thelma Vandegrift nearly missed the party . . . Igloo, a registered Brahma Bull and King of the V-W Ranch, sired a heffer by the name of Kidder who was born late Saturday afternoon . . . don't know who was more upset . . . Ida Lee, the mother, or Roy . . . anyway if you got two thousand bucks you can buy the calf in about sixteen weeks . . .

Speaking of cows . . . when Thadd Whidden sampled a brandy & cream he said that if he could find a cow that could give that—he would spend the rest of his days milking . . . guess everybody got home ok . . . we just did beat the Sunday paper . . .

—SAWGRASS PHIL.

Physical Ed Building Work Is Underway

Work was started Monday by Don Hillier and Sons, local contractor, on a new \$17,000 building for the Pahokee High School physical education department to be used principally for shower and dressing rooms, one-half of the space to be reserved for boys and one-half for girls.

The 33 by 76-foot building will be of concrete block construction with tiled showers and six shower heads on each wall. It will also be used as a store room for uniforms and other equipment of the athletic and physical education department. High windows will provide adequate ventilation. The contractor expects to have the construction work completed within 45 days.

Rev. and Mrs. C. J. Smyly of the Canal Point Baptist Church, are attending the Florida Baptist Convention in Ocala this week.

Trickle Of Beans —

(continued from page 1)
to be ready for market by the first of the year.

The Lake Okeechobee Farmers Co-op has increased its acreage of California Wonder green peppers this year. They will be ready for harvest the first of January if the weather is normal.

Hull Packing Co. opened its doors Tuesday to run half a car of Black Valentines.

Fraser said 20 cars of beans were shipped from the Pahokee Belle Glade area during the week. If the season had been normal some 70 to 80 cars would be rolling from this section daily, he said.

R. B. Mackey Produce Co. packing plant sold 108 hampers of Black Valentines for \$4.00 a hamper Monday and 272 Florida Bellas at \$4.50 a hamper. The plant also shipped crowder peas this week at \$2.00 a hamper.

H. L. Speer, assistant agriculture agent, said 40 cars of seed potatoes have been planted in this area, the equivalent of 1,400 acres. Red Bliss variety is being used for the fall plantings, which will be dug around Jan. 1.

"The Devil's Trail" Is Annual Name

The Pahokee High School student body by popular vote Wednesday chose "The Devil's Trail" as the permanent name for the school's annual yearbook.

The students, seventh through the twelfth grade, cast 160 votes in favor of "The Devil's Trail" and 47 for "The Devil's Tale," the second most popular of the seven suggested names submitted for

vote. This name will be on the cover of the 1951 yearbook and other annuals printed in the future, however, the theme or cover style will probably differ from year to year.

Work on the 1951 annual is progressing steadily. All individual pictures have been taken and soliciting for advertising will soon get underway. The staff has set Dec. 15 as the deadline for copy for the literary section.

CIRCLES TO MEET

The two circles of the Missionary Society of the Canal Point Missionary Baptist church will meet at the church Monday night at 8 p. m. Mrs. W. M. DuBose will talk on "The Lottie Moon Christmas Program."

Mrs. W. H. Vann has returned to her home in Canal Point after spending several months at her home in Hendersonville, N. C.

CHEVROLET TRUCKS
with Chevrolet's Hypoid Rear Axle

Chevrolet trucks are engineered to "take it," in every way. Chevrolet's heavy-duty hypoid rear axles offer maximum strength . . . with single-unit housings formed into tubular steel beams, and splined axle-to-hub connections that deliver power more evenly. Gears last longer, too . . . pinion gear is ball-bearing supported at each end, with adjustable thrust pad to prevent distortion on extra heavy pulls. Add these advantages to powerful Valve-in-Head engines, Synchro-Mesh transmissions, and channel-type frames. Then you'll know why Chevrolet is the most popular truck in America. Come see these great Chevrolet trucks today!
